THREE STEPS TO 3X THE SHINE AND PROTECTION.

SHINE

Customers will come back for more with this formula that activates a noticeably deeper shine and smoother finish when gently polished in.

PROTECT

The patented formulation of silicones and polymers delivers unparalleled protection from rain, snow, dirt, salt, bugs, pollen, bird droppings, and UV rays.

SEAL

Achieve 3 times the shine & protection when layering Ceramic Seal over the proven formulas of Rain-X & Extreme Shine Wax to deliver a top package with next level performance.
